

EXCALIBER Roller Banner

The EXCALIBER is more heavy duty roller banner stand supported with a bungee pole. As standard we print the graphic for this roller banner on a 450gsm Scrim PVC, in certain lighting conditions this material can become slightly see-through, fine if you have control over the lighting although if you do not we recommend upgrading to a stoplight material with matt lamination - we can upgrade to this for an additional £20.00 (exc VAT).

Features

- Compact roller banner stand
- Self tensioned system
- Smart satin aluminium casing and poles
- Ideal for desk top or floor standing graphic displays
- Supplied with a useful carry bag
