

PACIFIC Roller Banner

The PACIFIC is a lightweight economy roller banner with slim base and bungee pole making it very compact, complete with a twist out foot for extra stability. As standard we print the graphic for this roller banner on a 450gsm Scrim PVC, in certain lighting conditions this material can become slightly see-through, fine if you have control over the lighting although if you do not we recommend upgrading to a stoplight material - we can upgrade to this for an additional £23.00 (exc VAT).

Features

- Lightweight components
- Reusable spring loaded rail clamp system
- Slide on/off easy change graphic applicator
- Twist out stabilising foot for extra stability
- Supplied with a useful carry bag

SPECIFICATIONS
